- ❖ Directorial leadership and cinematographic management
- ❖ Social media management
- ❖ DSLR cameras and lenses
- ❖ Adobe Creative Suite and Final Cut Pro X
- ❖ Color correction
- ❖ Audio and sound mixing
- ❖ Green screen editing and effects

EXPERIENCE

Video Editor and Producer – *Nuvolum*

MAY 2019 - PRESENT

- Edited web-based marketing videos for both clientele and in-house marketing purposes, often managing multiple projects simultaneously.
- Directed on-camera personnel and staged all *mise-en-scène* to produce high-quality video content.
- Implemented new editing strategies that eliminated backlog and increased productivity throughout the post-production department.

Senior Video Editor and Lead Cinematographer - *Robles Video Productions*

MAY 2015 - MAY 2019

- Edited full-length wedding films and short-form wedding highlights, utilizing elements of storytelling to recreate the emotional impact of the wedding day.
- Captured weddings and events, documenting key moments throughout and directing others on-camera when necessary.
- Increased social media presence by editing videos featured on popular social media sites and publications such as *South Asian Bride Magazine* and *Shaadi Shop*.

Producer & Program Coordinator - *Titan TV*

AUGUST 2014 - MAY 2015

- Created engaging short-form video content for on-campus television broadcast station, working in collaboration with other crew members.
- Organized and managed teams of over ten crew-members for production schedule.
